

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

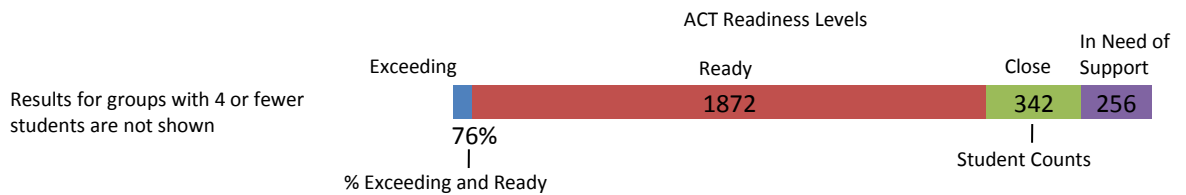

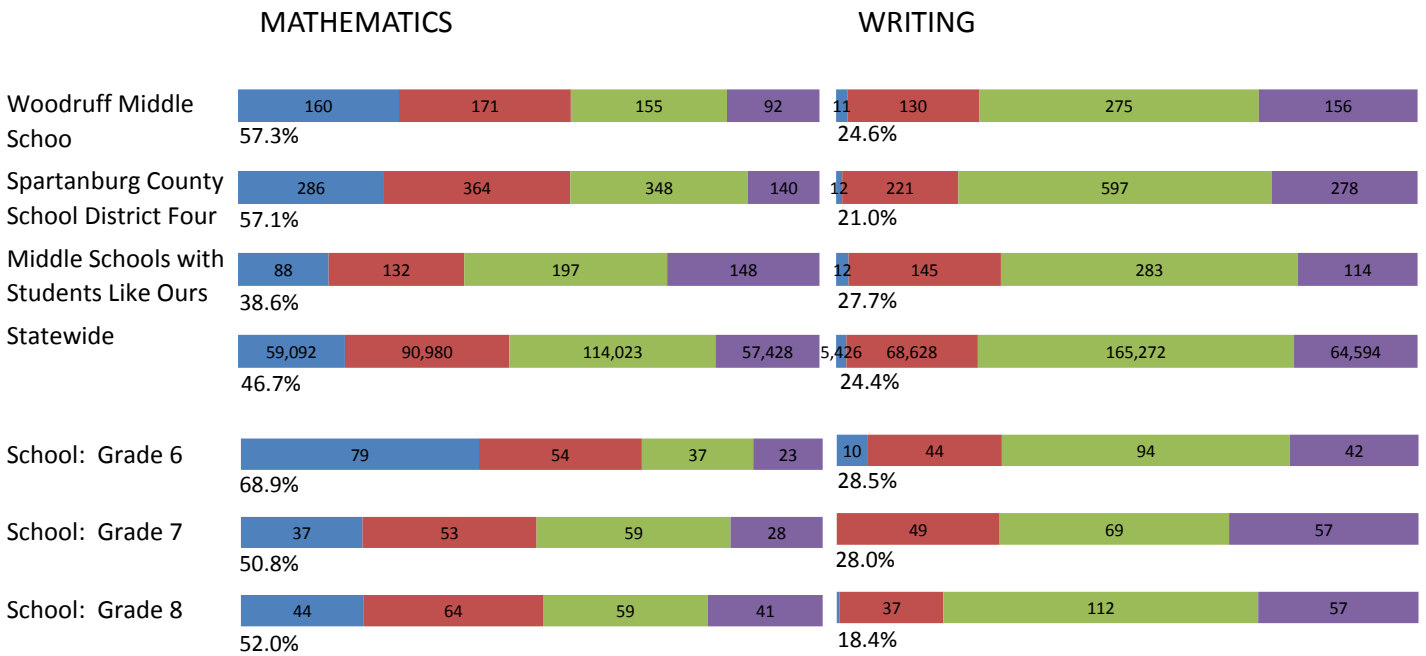

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Woodruff Middle School is helping students develop world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a positive, innovative, and nurturing school environment in which students achieve academic success and evolve into life-long learners. Our students benefit from talented faculty, caring parents and families, and a close knit community who create an environment of support for academic rigor, extracurricular activities, and interpersonal skills development. Academic rigor and high expectations for achievement are evident at WMS. 100% of our students passed End of Course assessments. Twelve eighth graders were identified as Junior Scholars. Sixty seventh graders qualified for the Duke Talent Identification Program. Ninety-three new students were inducted into the National Junior Beta Club. One hundred sixty students were honored at the Academic Awards Banquet for maintaining a yearly average of 93 or higher. Additionally, Woodruff Middle School received an "A" rating on the ESEA Federal school report card. A multitude of extracurricular opportunities allows for interpersonal and character skill development. These are the traits that enable students to work productively as individuals as well as contribute positively to teams. Cub of the Month, EXCEL Camp, Real Men Read, ENGAGE, and Operation Get Smart programs provide our students with incentives and opportunities to apply real-world communication, team building, and critical thinking and problem solving skills. Woodruff Middle School's 8 athletic teams provided 161 middle schoolers opportunities to participate in sports; 16 earned All Conference recognition; 89% were named as "All Academic." The 8th grade Football, Volleyball, and Girls Basketball teams won the Foothills Championship. Additionally, 110 middle schoolers participated in varsity or jv springs sports. We are excited as the 2015-16 school year approaches and we implement our new school theme, ... on the PROWL, where we look to produce Prepared, Responsible, Outstanding, Wolverine, Leaders. Denise Brown, Principal Amy Cooper, SIC Chair
