CUB CHRONICLE

The “P” in **...on the PROWL** stands for “Prepared.” Woodruff Middle School Cubs are encouraged to stay “prepared!” Students, are you....

Recording your homework assignments in your Agenda Planner for each class, each day? Parents, ask to see your student’s planner!

When and where are you doing your homework? Middle schoolers need a routine- a place and a time to study.

Is your homework done? Parents, ask to see the completed homework. You don’t need to correct it- just ask to see it!

Are you unsure about the actual homework assignment? Teachers can leave homework assignments on their voicemail each day. Many teachers also use the Remind 101 app for parents who want to receive texts to a phone. Check with your student’s teachers.

Woodruff Middle School is pleased to have numerous extra-curricular student opportunities. Offerings include: ENGAGE, FCA, Cub Club, Beta Club, Real Men Read, Lego, Student Council, Gifted Art, Band, Chorus, Maroon on a Mission, football, volleyball, basketball, wrestling and cheer. We will be hosting our first after school dance on Friday, September 21 until 4:45. The week of September 24– 28 is spirit week. It will include themed dress up days, a home volleyball game, a home football game and a pep rally.

We will be sharing “The Playbook” for success with our student body. This will include terms such as grit, motivation, passion, focus, teamwork and resilience. Throughout the school year, students will have chances to take part in activities centered around the theme.

We encourage our students to get involved in a positive way.
