Update Your Address!

If there are changes to your mailing address, please call the school office this summer at 476-3150 to make changes. Information regarding registration and opening of school will be mailed home in July.

Washington, DC Trip for 8th Graders

If you plan to participate in the field trip to the nation's capitol, a \$150 deposit will be accepted in the main office of WMS through the first week in June. No deposits can be accepted once the charter bus confirmation is made. Dates of the trip are November 9-12, 2019. More information about the trip is available in the office at WMS.

CUB CHRONICLE

CONGRATULATIONS, 8th Graders!

Congratulations to our 8th grade as you continue "Going for the GOLD" at Woodruff High School! We wish them well as they assume their roles as members of the *Class of 2023*. Stay on the PROWL!

Missing Materials and Fees Owed

Please be on the look out for missing textbooks or library books. WMS would much rather have the materials returned than collect lost fees from students!

All fees owed may be paid in the Main Office during the summer. Report cards are not mailed home until arrangements are made regarding school debt. If you find school materials this summer for which you have already reimbursed WMS, contact the main office to arrange a refund.

Immunization Requirements for Rising 7th Graders

All seventh graders are reminded of the DHEC requirement to have one (1) dose of tDap vaccine (tetanus, diphtheria, and pertussis) administered on or after their 7th birthday.

If you have already provided the school with this immunization documentation, no other information is required!

All other rising 7th graders must present documentation of this immunization in order to register for the 2019–2020 school year.

Please talk with your family health care provider, contact DHEC's Immunization Division at 1-800-277-4687 (1-800-27-SHOTS), or call the school at 864-476-3150 for more information.
